

## **Chick Everything – a poem about equality**

A chick pops out of an egg

A chick smiles to everyone  
A chick sings with everyone

A chick reads to all of us  
A chick learns with all of us

A chick prays to everyone  
A chick dances with everyone

A chick gives help to all of us  
A chick plays with all of us

What an excellent and equal chick!

**A fantastic composition by Beth & Neve in Year 3**
