To all at St Margaret's Primary Wolstanton,

On behalf of the Newcastle Staffs Foodbank, I am writing to thank you for your tremendous donation of food and toiletries from your Harvest celebrations, which will help us to provide **about 500 meals** to people in crisis in the Newcastle and wider area at this difficult time.

The Newcastle Staffs Foodbank is part of a network of 428 foodbanks (with nearly 1400 centres) nationwide that are sponsored by the Trussell Trust but work independently in their local area.

Every day people in the UK go hungry for reasons ranging from redundancy to receiving an unexpected bill on a low income. Trussell Trust foodbanks provide a minimum of three days emergency food and support to people experiencing crisis in the UK.

Between 1 April 2020 and 31 March 2021, the Trussell Trust's food bank network distributed 2.5 million three-day emergency food supplies to people in crisis, a 33% increase on the previous year – and a 111% increase in the last five years.

980,000 of these went to children.

At the Newcastle Staffs Foodbank we have fed over **38300 people, including over 13000 children**, since we opened in December 2012 and continue to feed over 100 people a week in 2021.

During the current coronavirus crisis we have seen our demand increase by about 30% so your donation is particularly welcome at this time.

The Newcastle Staffs Foodbank has two warehouses on the Parkhouse industrial estates.

We also have six distribution centres at Clayton, Silverdale, Chesterton, Kidsgrove, Newcastle town centre and Madeley.

More details on the work of Foodbank can be found by following this website link www.newcastlestaffs.foodbank.org.uk where you will find information on our distribution centres and how you can support the work that we do, either by donating non perishable food or funding to support our running costs.

Once again, many thanks for your support.

Yours sincerely,

Peter Till
