4th November 2021

Dear Parents/Carers,

New Half Term & Parents' Meetings

Welcome back to the second half of this term, as we start to look ahead towards Remembrance and then Advent and Christmas next month. I hope all our families enjoyed a pleasant break and some quality time together.

Following the recent difficulties with Coronavirus, I am pleased to report that the vast majority of children are currently in school. We will continue to manage things carefully, as we did before half term. Positive cases locally (and nationally) are still high and we need to maintain our push to contain any possible spread in school. I hope that cases will start to reduce in the coming weeks.

As the situation in school was difficult before half term, we delayed planning for **parents' meetings**. We have cautiously penciled in w/c 22 November and hope to hold them face to face, in a carefully considered way.

It will be an opportunity for you to meet the teacher and catch up with how your child is doing. If you have any concerns about coming in, we can arrange meetings on MS Teams – they proved successful and popular earlier this year, both here and across the country.

Further details about booking slots will follow next week.

I hope you enjoy the rest of the week and weekend.

Yours sincerely,

David Hugill
