# ROAD SAFETY

BY ELIZABETH AND THOMAS

# CROSSING KNUTTON ROAD

(Thomas)

Mr Proctor is there to make sure you cross safely.

He wears a high-vis yellow jacket and stands in the middle of the road to stop traffic.

He tells us when it's safe to cross.

**Always cross Knutton Road with Mr Proctor.**

# CROSSING OTHER ROADS

If you need to cross other roads, always use zebra crossings, pelican crossings or traffic lights.

**BUT** – you must use these properly and safely.

**Always** wait for the ‘green man’ and buzzer before you cross.

**Always** check the traffic has stopped or it is clear.

**This little light of mine, I'm gonna let it shine**  
This little light of mine, I'm gonna let it shine  
This little light of mine, I'm gonna let it shine  
Let it shine, let it shine, let it shine

The light that shines is the light of love  
Lights the darkness from above  
It shines on me and it shines on you  
And shows what the power of love can do  
I'm gonna shine my light both far and near  
I'm gonna shine my light both bright and clear  
Where there's a dark corner in this land  
I'm gonna let my little light shine

This little light of mine, I'm gonna let it shine  
This little light of mine, I'm gonna let it shine  
This little light of mine, I'm gonna let it shine  
Let it shine, let it shine, let it shine

On Monday, he gave me the gift of love  
Tuesday, peace came from above  
On Wednesday he told me to have more faith  
On Thursday he gave me a little more grace  
Friday, he told me just to watch and pray  
Saturday, he told me just what to say  
On Sunday he gave me the power divine  
To let my little light shine
