Message from Mr Hugill

Time seems to fly as we reach the end of another half term. There are many of our community who are facing difficult times at the moment but the children never fail to raise our spirits with their successes and wonderful nature and stories. The staff and I wish you a happy half term break. I hope you get to enjoy some wonderful family time.

Mr Hugill

Road Safety – Near Miss

Two of our children were involved in a near miss on in recent weeks, distracted by having fun with friends. We have spoken to the children about it and would appreciate it if you will reinforce the importance of being very careful and sensible around roads, particularly those who walk to/from school with friends. Our local roads seem ever more dangerous these days.

Valuables, including ‘Prime’ Energy Drink

Please do not send your child to school with valuable items as it causes distress if they go missing. This happened with one of the ‘sought after’ energy drinks recently.

We are happy for children to bring small items to play with but they are not allowed to ‘trade’ items e.g. cards, as this can also lead to squabbles or upset.

Thank you.

Holiday Requests

The government provide clear, consistent guidance to Headteachers that children should attend school every day and therefore we cannot authorise holiday requests. I am sure you appreciate this and that we are obliged to send out an official, standard letter in response to parental requests. Thank you for your understanding.
