21<sup>st</sup> April 2023

Dear Parents/Carers,

## Anti-Idling & Air Aware Campaign

Our Active Travel Ambassadors, who represent each class, continue to work with Ryan Procter, Staffordshire's Travel Advisor, as part of the Air Aware campaign to try to improve air quality and road safety around schools.

The children will be running another **Anti Idling Campaign** next week, between Monday 24<sup>th</sup> April and Wednesday 26<sup>th</sup> April, to help improve air quality and reduce pollution in our community. The Travel Ambassadors will be monitoring idling of vehicles around our school.

We value your continued support for the health of our children and hope you will embrace their efforts in this worthwhile initiative.

Yours sincerely,

Mrs J. Arundel  
Deputy Headteacher
